## How to use Computree

### Discovering Computree graphical interface

#### Tutorial 01: General organization of the interface, loading and displaying a point cloud.

Video: <https://www.youtube.com/watch?v=zucR-UHyR9Y>

Detailed pdf Tutorial: [Tutorial\\_01\\_EN.pdf](#)

#### Launch a script in batch mode

In a command invite, type:

```
CompuTreeBatch -script "script_name.xsct2" -startSteps
```
